

October 14, 2011

Hello Parents!

It's hard to believe that two more weeks have passed and we are already in the middle of October! We are really moving along on our curriculum. In Math, the children are learning about money, and we are reviewing how to count by 2's, 5's and 10's. If you have a change jar at home, it might be fun for them to practice counting pennies, nickels and dimes! They are also being introduced to graphing.

We are focusing on word families and rhyming words in reading. You will see a fun assignment to reinforce the rhyming in this week's homework!

In Religion, we are learning how to pray the Rosary. This includes putting together a book filled with beautiful pictures colored by your child.

Charlie Cheetah is one spot away from the class surprise! We are really hoping that he will earn it on Monday! The Warm and Fuzzy jar is nearly to the line. That means a day of extra recess is close!

Spelling will begin next week. We will start working with the words in class on Monday. They will then be sent home on Monday night for the children to practice them.

Scholastic order forms went home in the yellow folders today. If you would like to place an order, please send them in by Thursday, October 20th, with the payment. Our class earns points for every order placed which allows us to purchase fun items for the classroom!

Your children continue to be such a happy group. We are really enjoying them more and more as we get to know them!

Warmly,

Annamaria and Maren
