

Summer Math Work for Rising 5th Graders 2016-2017 School Year Linton Hall School

Students who have completed 4th grade are required to sharpen their math skills over the summer break. Lower school has agreed to use this workbook to review and practice the math concepts taught this school year.

Math Practice the Singapore Way: Grade 4

You can purchase it on Amazon for \$12.99.

*Read each unit of study carefully to review the math concepts. Then complete the questions for that unit. Have a parent check your work using the answer key. Score your quiz. Review any problems/concepts that you missed. *Do not complete units 5, 9, and 10.*

You can use this link to the 4th grade Math in Focus text book for more details about the units of study.
