## MENU - ΜΕΝΟΥ

### ΜΕΖΕΣ

The ancient Greeks believed that guests should be warmly welcomed with light repast, and, of course, drinks! Mezze (meh-ZAY), like tapas, are tasty Greek tidbits offered at any social gathering where sumptuous food enhances celebration and fellowship. Our mezze platter will add that “something special” to any family dinner or party and includes foods that are bursting with the rich flavors of Greece.

**Mezze platters include:** Dolmades (stuffed grape leaves), feta, roasted bell peppers, pitted kalamata olives, cucumbers, marinated artichoke hearts, grapes, pita bread and your choice of hummus, tzatziki sauce, or both!
