

2017-2018 Linton Hall School

5th Grade Summer Work Assignments

Math

*Parents, please tear out the answer sheets in the back of the workbook before your child starts.

Students, please do all of the **even numbered** problems for all 35 lessons. **Show all work.** Unfortunately, if you do not show your work, your teacher cannot give you credit for the assignment.

Once school starts in August, you will be **required** to hand in your summer work by Friday, August 25, 2017. Your teacher will not be accepting any summer work after that, so please make sure it gets turned in. Also remember that this is a **graded assignment**, so take your time and do your best work.

This is not to take away from your summer at all. We know everyone needs a break and wants to have fun. This is just reinforcement to make sure you do not lose the skills you have learned throughout the school year.

Language Arts

Prepare a “Book Talk” to be given upon your return from summer break.

A book talk includes: a title, author, a summary of the plot, your favorite passage (to be read aloud), 5 interesting or challenging vocabulary words with definitions and a recommendation to your classmates to either read the book or skip it – with reasons for your recommendation.

This does not need to be in writing, however, you must be well-prepared to present it in class. You may use notes/note cards. Your talk should be 3 – 5 minutes long. Please bring a copy of the book to school.

*5th grade will read a **mandatory** book as follows:

Goodbye, Vietnam by Gloria Whelan

*Take notes to recall characters, story, and interesting or challenging vocabulary. Be prepared to answer some questions about the book upon your return from summer break.

2017-2018 Linton Hall School
