

7th Annual Cub Scout Pack 1922 Coat Drive

Help our Cub Scouts share the warmth this bitter cold season...

This year Pack 1922 is keeping it local by joining the F.H. Furr/Volunteer Prince William 'Keep 'Em Warm' Coat Drive!

Do you have outgrown coats taking up space in your closets?

We'll take them off your hands!

And don't forget to bring us your old coats if you get a new one for Christmas!

Ask your friends and neighbors, we'll take theirs, too!

Now through January 18th, Linton Hall's Cub Scout Pack will be holding a Coat Drive. All coats received will be taken to the FH Furr/Volunteer Prince William "Keep 'Em Warm" drop-off location. Hats, mittens, gloves and scarves will also be accepted. Anything that can help someone stay warm this winter season will be greatly appreciated.

The scouts will be at both entrances on selected Thursdays in December and January; however, you can donate in the Lobby or near the Preschool entrance at any time.

Please help us reach our goal of *400 coats* by donating a new or gently worn coat by Thursday, January 18th, 2018
