

From March 1-27, we will celebrate **READING**. Our week of “Reading Rocks” will focus on **Dr. Seuss books**, building a joy and love of reading. However, ALL month we will focus on a love of reading so find your favorites and have fun!!

Help us **fill our “Pig” for reading rocks in the lower hallway/cafeteria** by writing the names of all the books you read on the “stars” (paper cut outs) *provided to students in their classrooms*. We will fill up our hallway with all the books we read from March 1-March 27
