Why Volunteer at Linton Hall School?

- You are your child's most important role model. Showing them that you value their education will teach them to value it as well.
- Research has shown that children whose parents are involved in their school get better results and have fewer disciplinary problems.
- At Guild meetings you can raise concerns and suggest new ideas.
- You will meet like-minded people and make new friends. It's not all hard work-there is a social side too!
- Whether you want to organize an event or just help out on the day of an event, you can utilize your existing skills and most likely acquire some new ones.
- You will be in the know! You will find out what is going on in school and get to know teachers, administrators, and staff better.

Guild FAQs

1. What is the Linton Hall School Parent School Guild (aka LHSPSG and Guild)?

The Linton Hall School Parent School Guild is the equivalent of the PTA or PTO that you find at many other schools.

2. Who is a member of the Guild?

As a parent of a Linton Hall School student, you are a member of our Parent School Guild and, as a Guild member, you are an integral part of what makes Linton Hall School such a special place.

3. What do we do?

Each year we sponsor several different events, like our annual poinsettia & greenery sale and Pajama Jammin' Bingo, to raise money that then goes towards community events. To make these events successful, we need parents just like you to help out. We ask only for a small amount of your time, whatever you can spare-every little bit helps! We also meet regularly to discuss ways we can improve or add events that would be of interest to our community.

4. What kind of help do we need?

We promise that all the 'frightening' and 'time consuming' jobs are already filled, but we are hoping to find extra hands to help us make our events fun and inclusive for all who attend. We would love you to get involved in our school! We want to work together to enrich the school environment for our children. We hope that our new volunteers can bring diversity and different perspectives to our group.
