

Dear Parents and Students,

This summer, incoming 4th grade students will have two assignments to complete over the summer: one Reading and one Math. Instructions for the Summer Book Review assignment are outlined below. An electronic copy is listed on our LHS website if needed. The Summer Math Packet is designed to review material learned in third grade, as well as prepare students for what they will see during their fourth grade year. The Math Packet will be available via PDF download from the Linton Hall website.

Students should return hard copies of both of these assignments no later than Wednesday, August 28, 2019.

Thank you! And, I look forward to seeing your students in August!

Mrs. Reid
