

Ashley Peduto

Mrs. Peduto holds an Associate's degree and has dedicated more than 12 years to supporting school communities through volunteer work as a room parent, where she partnered closely with teachers and assisted with school-wide event planning. She has served in both support and leadership roles at LHS, including as a Pre-K Teaching Assistant, and currently enjoys her role as a Lead Teacher.

Prior to her work in education, Ashley built a professional background in Marketing and Communications, which she brings into her classroom through strong organization, open communication with parents, and a focus on classroom engagement.

As a proud parent of two LHS students (Brendan '24 and Bella '26), Mrs. Peduto's decision to teach at LHS is deeply personal. She shares, "This community has played a meaningful role in my own children's growth, and I am grateful for the opportunity to give back to the community that has meant so much to our family."
