

Linton Hall School Director of Admissions

KATHLEEN HOLROYD

Kathleen graduated from Longwood University in 1996 with a degree in Sociology and a pre-law concentration. She began her career at LHS in 1999, teaching first and second grades. After taking time to raise her two children, she returned to LHS, where she continues to share her love for the school community.

She has served as the Director of Admissions at LHS for the past 7 years. She also has the privilege of teaching 7th grade Religion class.

For Kathleen, LHS is truly home and a family affair. Her father, following his retirement from the Army, began a second career at LHS as a teacher and later as principal. Her guiding scripture is James 1:2-4: "Count it all joy." She says every day is a new adventure and she can't imagine a better community to serve.
