Paige is a proud wife and devoted mom to a daughter who brings creativity, laughter, and plenty of fun into her life each day. She was raised in West Virginia, but her heart belongs in South Carolina, where she was born and lived for a couple of years before moving to Virginia.

She graduated from ECPI University with a Bachelor's degree in Business in 2020.

In her free time, Paige enjoys fishing and boating at Lake Anna, creating little crafts with her daughter, and cheering on her imagination as it continues to grow. Whether on the water or at the craft table, Paige treasures the simple moments that turn into the best memories.
