

Meet the Teacher

Ms. Riley Abell

About Me

Ms. Riley Abell is a 2026 graduate of Longwood University, where she earned a Bachelor of Science degree in Liberal Studies through the university's Elementary Education program, along with a minor in Therapeutic Recreation. Her field placements and experience as a horse summer camp counselor, along with her solid education, helped her to learn interventions to improve the physical, emotional, and social well-being of individuals with disabilities. She works with small groups of learners in the Resource program and supports teachers in various classrooms while providing push-in support to assist both the students and teachers.

In the Classroom

Ms. Abell has developed a passion for supporting children's academic, social, and emotional growth while creating engaging and inclusive learning environments. She looks forward to collaborating with teachers, building relationships with students and families, and making a positive impact on the Linton Hall School community.
