

# Meet our Office Administrator Mrs. Limbach

## About Me

Mrs. Limbach has a long-standing relationship with Linton Hall School, as she attended weekend marches here at the age of ten while her brother was a student in the military school. Years later, her daughter began attending the Little Sprouts program, which inspired Stephanie to return to the workforce after a brief hiatus following more than 17 years in the Petroleum Distribution Industry.

## Background

Mrs. Limbach began her time at Linton Hall School as a Teacher's Assistant, serving in that role for two years before transitioning into her current position. She holds a Bachelor's Degree in Corporate Communications from Radford University.

## Fun Facts

In her free time, Mrs. Limbach enjoys reading, hiking, and spending time outdoors.
