

We have partnered with Shining Sol Candle Company out of Manassas for our 2021 Holiday fundraising! It is very important to use the link provided via email or at the bottom of this flyer in order for our orders to count towards our fundraiser. If you chose to visit their retail location, you must let the checkout person know that you are shopping for Linton Hall School. Thank you for your support!

HAND POURED IN MANASSAS, VA.

All of our candles are assembled, poured and prepared by hand in Manassas!

ALL NATURAL SOY WAX NO NASTY TOXINS

100% soy, no additives or fillers, no toxic chemicals. Burns completely clean. (say goodbye to black soot stained walls, ceilings, and dirty air vents!)

CRACKLING WOOD WICKS UNIQUE AMBIANCE

Burns clean w/ a light crackle. Candles burn all the way across and all the way down. (no pitting/funneling down the middle of the candle and no wasted wax!)

100% AMERICAN MADE AND PROUD OF IT

We buy supplies from the USA - jars, soy wax, wood wicks, lids, dyes, fragrances. (made in the USA helps support other small businesses!)

IMPORTANT! To order visit: www.shiningsol.com/linton-hall-school/
